

# Dreams Come True...

2009 is here and it's time to start planning your next vacation.

With all the media speculation about the state of the economy many people are nervous about making too many plans for the New Year. That's why we created the "My Dreams Come True Club" as we wanted to make sure that the people who work hard and who deserve a vacation can still take one.

We know full well how much a vacation can cost and that's why we decided to make it even more affordable and even easier to go on vacation this year. For a start there's our **\$100 immediate discount** for joining our "My Dreams Come True Club"...and then there's our easy monthly payment plan where you can choose, by ticking one of the boxes on the application form on the reverse side of this letter, to pay \$49, \$99, \$199 or any amount over \$199 per month that you would like to pay.

You can then look forward to your next Florida vacation and to visiting Walt Disney World, Universal Studios, Islands of Adventure, SeaWorld, Aquatica, Discovery Cove, Busch Gardens or any of the other fun things to do, safe in the knowledge that your vacation home payment is already taken care of.

So start dreaming of your next trip to the beach or discovering places like Kennedy Space Center? Maybe you'd like to have lunch with an astronaut or taste the experience of spaceflight? Perhaps you'd like to drive a race car or a rally car...or how about take a backstage tour at Magic Kingdom and discover how things come to life at the World's top theme park?

We can arrange all this for you...just visit [www.MyDreamsComeTrueClub.com](http://www.MyDreamsComeTrueClub.com) and see some of the great experiences we have lined up for you and your family in 2009!
