

Orlando Vacation Home Expert, Nigel Worrall, Inducted Into The National Academy of Best-Selling Authors

Nigel Worrall, CEO of Florida Leisure Vacation Homes, was recently inducted into the National Academy of Best-Selling Authors™ for the performance of his latest book, “Big Ideas For Your Business.”

Orlando, Fla. – February 2, 2010 – Nigel Worrall, CEO of Florida Leisure Vacation Homes, was recently inducted into The National Academy of Best-Selling Authors™ after releasing the book, *Big Ideas For Your Business: America’s PremierExperts® Show You How to Make Your Business More Fun & More Profitable*. The book was written in collaboration with America’s PremierExperts®, a group of America’s leading experts in various fields of business. They are celebrity experts who are dedicated to spreading knowledge and awareness in their field of expertise and making significant contributions to their industry and the marketplace as a whole.

Big Ideas For Your Business was released on July 23rd, 2009. On the day of release, the book reached the best-seller list in two categories, the Management and Leadership – Systems and Planning category, and the Business Management category.

Nigel Worrall authored a chapter in the book titled, “Customers: The Lifeblood of Any Company.” Nigel was chosen as one of America’s PremierExperts® based on his expertise and success in the real estate and vacation home industry.

The National Academy of Best Selling Authors™ was founded by two attorneys, JW Dicks, Esq. and Nick Nation, Esq. who are also best selling authors and represent authors and experts nationwide. Both of the attorneys are members of multiple organizations, associations and academies that recognize and honor the best in the business, and they thought a similar organization should be created for Best Selling authors who don’t always get recognition for their accomplishment. Authors themselves, they recognized that only a very limited number of books made the major New York Times Best Seller list and just like the awards shows put on by the entertainment-based organizations, they wanted to have more categories for authors to be accepted and recognized for their accomplishment. The National Academy of Best Selling Authors™ now honors authors from many of the leading independent best-seller lists.
